

'Twas the night before Christmas  
I'm as excited as can be  
This year mommy told me  
about a very special key

You can shimmy down the chimney  
or you can tiptoe through the door  
Use the magic in this special key  
to find cookies, milk and more.

This key is very special, you see  
It won't work for you or me.

Hang it just outside your door  
then go to bed and worry no more.

Close your eyes and close them tight  
cause Santa Claus is coming tonight.

In our home there's no chimney,  
so santa we're leaving you this key.

Sprinkle it with your magic dust.  
It will open the door with little fuss.

Please leave the key for us right here.  
We'll put it out again next year.

Dear Santa,

This magic key works just for you  
just open the door and come on through.

Thank you for coming to our house tonight  
as we celebrate the birth of Jesus Christ.

Thank you Santa for the gifts you bring.  
Thank you Lord for everything.
